

# The Farnham Society

## 76<sup>th</sup> Annual General Meeting

### Media Report

Our media comprises a yearly newsletter, a website, social media pages (Facebook and Instagram) and regular emails to our members.

The newsletter, to members only, contained articles relevant in some way to Farnham. We reviewed planning and development issues in Farnham and, with reference to Petersfield, discussed the importance of connectivity around the town. Exploring the history of Farnham, we looked at the workhouse from the 18<sup>th</sup> and 19<sup>th</sup> centuries, an author from the 20<sup>th</sup> century and how Farnham was host to refugees during WWII. Thinking of the future, we looked at parliamentary boundary changes and the heritage encompassed by the new constituency. And we noted a local success, with a Tree Of The Year award.

We also kept our members up to date on the workings of the Executive Committee with regular emails.

The website and social media enabled us to speak to a wider public, keeping them informed as to what goes going on in the Society and in Farnham, also providing a portal through which the public and other societies could contact us.

Shaping our future, protecting our heritage
